******Congratulations******

to a job well done on the *Veteran’s Mass*. Many compliments were received on behalf of the students. I am so proud of each of them and grateful to all who had a part in helping us extend such a warm thank you to our veterans, and especially to *Mrs. Valerie Neudecker* who, once again, spent a great deal of time putting our powerpoint together. She is open to receiving pictures, throughout the year, of your family’s veterans, should you find any that you would like to include in the 2012 presentation.

Yours in Christ,
Cindy Newman

HEROES IN TRAINING

A PROGRAM FOR YOUNG HEROES WHO MAKE A DIFFERENCE.

Dear Parent or Guardian,

Help your student be a Hero in Training! The Heroes in Training program is a community service project developed by the American Red Cross to introduce children to the importance of donating blood. The program encourages students to volunteer at the blood drive and invite parents, guardians and other adults to give blood on their behalf.

Below is the information for the blood drive being sponsored by your child's school. **Join us for the Heroes in Training Blood Drive on Wednesday, November 30, 2011 at St. Peter School Gym from 3:00 to 7:00 p.m.**

- Each student who invites an adult to come to donate will be recognized as a Hero and will receive an American Red Cross thank you certificate.
- If a parent has more than one child in the school, each student will be recognized.

Tomorrow's life-saving blood donations will be made by today's children who are taught the importance of blood donation. Please consider donating blood to help your student and help save a life. Most healthy people who meet the minimum age requirement (check with your Red Cross representative), weigh at least 110 pounds, are in general good health and provide valid identification upon donation may be eligible to donate. If you have any questions regarding the blood drive, please contact Amanda Schlottach at 573-489-2383
