St. Peter School is an accredited Catholic elementary school recognized by and a part of the Diocese of Jefferson City, Missouri. The Diocesan Policy and Regulation Manual for Schools express official policies and regulations regarding all schools of the Diocese. The St. Peter Catholic School Advisory Board recommends local school objectives and policies for pastor approval. The principal, in conjunction with the board, determines how best to implement goals developed by the Diocesan School Office, which helps the Bishop set the direction of Catholic education in the Diocese of Jefferson City. The local objectives and policies of St. Peter School are in harmony with the Diocesan Policy and Regulation Manual for Schools.

# St. Peter Catholic School

The mission of St. Peter Catholic School is to educate the whole child within the framework of Catholic beliefs.

The foundation of our faith and our families is to live the message of Christ and the Church. Our school reflects this message and is a genuine experience of the Church. Evangelization and complete formation at St. Peter Catholic School serves as a foundation for academic excellence and civic responsibility.

We provide academic excellence through a committed, highly trained and dedicated faculty who focus on the needs of students. We maintain high, attainable goals for our students, staff and school. We provide essential equipment and adequate facilities to enhance a safe learning environment.

We believe students, parents, teachers, staff and parishioners form a faith community. Each entity has a vital role in the educational mission of the Church. Through our academic setting, we offer parents support and guidance in fulfilling their primary responsibility of educating their children.

Revised September 2, 2015

## Admission & Registration

*The mission of St. Peter Catholic School is to educate the whole child within the framework of Catholic beliefs.*

**LSP 5104**

### **ADMISSION:**

Diocesan and School Advisory Board admission policies shall be promulgated in writing to all parents and parishioners and included in the local student/parent handbook. Every effort is made to serve children of supporting parishioners. Cooperation of parents with the Church and school can be an important criterion in approving the admission and annual registration of the applicant.

St. Peter School exists to further the educational mission of St. Peter Church. Therefore children shall normally be admitted in the following priority up to maximum enrollment:

- A. Children of active parishioners (pastor determines active status).
  - a. Children from families with children already enrolled.
  - b. First child currently reaching school age or enrolling new children.
- B. Children from families new to the parish.
- C. Catholic children from non-parish families (registered and active in another parish) with students already enrolled.
- D. Non-Catholic children from families with students already enrolled.
- E. Catholic children from non-parish families (registered and active in another parish).
  - a. First child reaching school age or enrolling new children.
- F. Non-Catholic children.
  - a. First child reaching school age or enrolling new children.

**LSR 5102**

In accord with diocesan policy, a child entering Kindergarten must be five years old by August 1<sup>st</sup>. A child entering first grade must be six years old by August 1<sup>st</sup>, unless he/she has successfully completed a year in an approved Kindergarten program.

In accord with Diocesan School Policy 5201, in any situation where there is a custody agreement, the schools are to obtain the portion of that Agreement that stipulates custody and any other information pertinent for the school. This information is to be obtained as a condition of enrollment and parents are to notify the school of any changes in that Agreement.

**LSP 5230**

### **TRANSFERRING STUDENT IN/OUT ST. PETER**

#### **Students Transferring In**

1. In order to register, previous academic, health and discipline records must have been received by St. Peter office.
2. The principal, after consultation with the pastor, may admit transfer students to classes at maximum enrollment.

## Students Transferring Out

1. The state-required immunization record, along with other general health data (vision, hearing, height, weight, etc.), shall be forwarded when a student transfers to another school, unless parents specifically request to the contrary.
2. When a student transfers from the school, the school must obtain a release of information prior to sending a copy of the student's cumulative and discipline record to the new school. The original cumulative, discipline and attendance records shall be retained in the inactive portion of the school file.
3. Parents may, if desired, request to see a copy of the records sent to the receiving school. St. Peter School may charge a fee to the parents to cover the cost of copying and mailing the records. Ordinarily records are sent directly to the school.
4. St. Peter will withhold student records if all financial obligations owed the school are not paid in full.

**DSP 5101**

### **STUDENTS: Non-Discrimination**

*Every Catholic school in the Diocese of Jefferson City respects the dignity of each individual and, therefore, will not discriminate on the basis of race, nationality, sex, or any other basis that is prohibited by law, in regard to enrollment.*

**LSP 5101**

## **STATEMENT OF NON-DISCRIMINATION**

St. Peter School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school except where permitted by law. It does not discriminate on the basis of race, color, national and ethnic origin on admission policies, scholarships and loan programs, athletic and other school administered programs except where permitted by law.

**DSP 1810**

### **COMMUNITY AND EXTERNAL OPERATIONS: Parent Communication Agreement**

*Enrollment in a Catholic school is a privilege, not a right. Especially in the Catholic schools, an expectation of a child's enrollment is the support and close cooperation of the parent(s) or guardian(s). Should disagreements, problems, or criticisms arise, all informal efforts between the parent(s)/guardian(s) and school(s) are to be used to resolve the concern.*

*If informal efforts are unsuccessful, the Diocese of Jefferson City and the school have a fundamentally fair, formal process to resolve differences. It is called Administrative Recourse, and details of the process can be found in this handbook. (page 28 in this handbook.) A brief summary of the Administrative Recourse is: set up a face to face meeting with the teacher, and if unsatisfied, meet face to face with the school administrator/principal, and if unsatisfied, meet face to face with the pastor.*

*Parent(s)/guardian(s) are requested and expected to communicate any concerns they have directly to school administration and not to express them through social media or broadly distributed email. If parent(s) or guardian(s) use any form of electronic media to defame or denigrate the school or any of its personnel, or use electronic media to post inappropriate negative statements about the school or its personnel, all as determined by the school in its discretion, this could be cause for the school to immediately end the enrollment of the child(ren) or ward(s) of the parent or guardian who has done so.*

*By enrolling children in this private, Catholic school, parents are agreeing to abide by this policy as well as all other policies and regulations of the school.*

**STUDENTS: Proof of Guardianship**

*The school presumes that each parent has the authority to enroll the student, consent to various activities and programs, have custody of the student, or discontinue enrollment.*

*In any situation where there is a custody agreement, the schools are to obtain the portion of that Agreement that stipulates custody and any other information pertinent for the school.*

*Schools are to indicate in their registration materials that this is a condition of enrollment. This is also to be stated in the parent/student handbook along with a statement that indicates the parents are to notify the school immediately of any change in the agreement.*

*When consent by both parents is required by court decree in any/all matters relating to school, the consenting parent represents that the other parent has been consulted, and he or she consents to this registration.*

*The school administrator/principal will release the child(ren) according to the court documents and visitation documents the school has on file.*

*Any non-parent having custodial rights must supply the school with complete documentation evidencing such rights.*

DSP 5305

**STUDENTS: Catholic Faith and Moral Standard**

*As a condition of initial and continued enrollment as a student in schools that are part of the Diocese of Jefferson City, a student's conduct, both in and outside of school, must be consistent with Catholic faith and morals. Conduct which is inconsistent with Catholic faith and morals, which is a threat to the health, safety, reputation and welfare of other students or employees and/or which causes scandal, impairs or threatens to impair the reputation of the Church or its schools, is grounds for disciplinary sanctions up to and including immediate dismissal/expulsion.*

*If a student chooses to continually profess being an agnostic or atheist or hostile to the teachings of the Catholic Church in a manner that is belligerent and harming the institution's abilities to maintain a Catholic identity and promote the Catholic faith, this student may be expelled from school.*

DSP 6235

**INSTRUCTION: Non-Catholic Student Participation**

*Non-Catholic students enrolled in a Catholic school are required to participate to the same extent in all school activities (both curricular and extra-curricular) and courses of study as Catholic students, provided such activity is permitted by Catholic Church law.*

LSP 6235

**Participation in Religious Activities**

Students will have the benefits of religious education courses, participation at Mass, and other opportunities for prayer and reflection. Basic school requirements for student participation apply to all students, Catholic or non-Catholic.

## Tithing, Tuition and Fees for 2017-2018

*To offer an educational curriculum of the highest intellectual quality*

**LSP 3101**

The anticipated tithe from a school family is 5 % of gross income per month for 12 months. No Catholic child will be denied a Catholic education because the family may be experiencing financial constraints, but good communication is expected.

*To educate and encourage students in social and civic responsibility*

### **ARRIVAL:**

1. The School Office will open at 7:15 a.m. Students arriving before that time are to be enrolled in the Before School program. Students arriving after 7:15 a.m. are to enter the main gym doors upon arrival and enter directly to the gym. Classes will be dismissed from the gym after morning gathering.
2. The school day will begin at 7:50 a.m. with morning gathering and prayer. All students who arrive after 7:50 a.m. should come in the front doors by the office, check in at the office, and will be considered tardy. If the homeroom class is already on the way to church, the student is to drop their belongings in the back of church and proceed directly to Mass.
3. A student is considered tardy after 7:50 a.m.

### **DISMISSAL:**

1. Dismissal from the classroom is at 3:15 p.m. Students in grades 5-8 may be kept until 3:20 p.m. to discuss behavior, homework, clean out desks, etc. The parent will normally be informed if a longer detention is necessary.
2. All students will be dismissed from their classroom to their designated area in the back of church. ***Adoration of the Blessed Sacrament is every Tuesday, and the children will be required to remain silent and exhibit reverent behavior during dismissal procedures on Tuesdays.***
3. All students being picked up (riders) will then be dismissed to their cars from the west door (facing the parish center).
4. Parents will drive up the back gravel drive off Wood Street and pull up single file, passing through the back parking lot, between the church and the parish center.
5. A faculty member will announce the arrival of each parent. Children will be able to see their car and acknowledge it as their family car.
6. Those students' names will be announced and the students will stand inside the door until their vehicle has pulled up to the door and stopped.
7. The students will then be dismissed to go directly to the car.
8. If a student is not in the back of church for any reason, the parent will be asked to pull forward to wait or park in the front parking lot.
9. A written notice of permission must be on file in the office for any student who will be walking from school. The notice must include regularity of walking and destination.
10. Any student remaining after 3:30 p.m. will go directly to BacPac and **fees will be assessed.**

### **BEFORE/AFTER SCHOOL CARE PROGRAM:**

**DSP 5210**

**STUDENTS: Absence and Tardiness**

**A. Absence**

*Excessive absenteeism may be indicative of educational neglect by the parent or guardian. Such neglect might warrant reporting in compliance with child abuse laws of the State of Missouri. (Refer to #5810.)*

*An absence of more than two hours is recorded as one-half day absence.*

**B. Tardiness**

*Excessive tardiness may be indicative of educational neglect by the parent or guardian. Such neglect might warrant reporting in compliance with child abuse laws of the State of Missouri. (Refer to #5810.)*

*The school handbook specifies times for the beginning of the morning and afternoon sessions. Any pupil who arrives after either of the stated times is considered tardy.*

*If a student is regularly missing Mass because of arriving late (morning Mass) or leaving early (afternoon Mass) this may be taken into consideration of allowing the student to continue to be enrolled in the school.*

**LSR 5210**

**ABSENCE:**

1. If a student is going to be absent, parent/guardians are to contact the school office by 9:00 a.m. the day of the absence.
2. A written excuse from parent/guardian is needed when the student returns to school. The excuse is to include the date and specific reason for the absence, or specifics concerning the illness. An emailed excuse from a parent/guardian must be sent to the school office address [stpeterschooloffice@stpeterfultonmo.org](mailto:stpeterschooloffice@stpeterfultonmo.org).
3. When a student is absent, a member of the family may pick up daily schoolwork after 3:15 p.m. and until 5:00 p.m. on the day of the absence; if homework has been requested. One day to make up work will be allowed for each day of illness or absence. Questions or concerns should be discussed with the child's classroom teacher.
4. If a student accumulates more than three absences per quarter, a conference may be requested with the student's parent/guardian to discuss the effect of the absences on the child's academic work.
5. A student is allowed to leave school premises only with a written notice from the parents/guardians and the knowledge and permission of the principal and teacher. The school accepts no responsibility for any child who leaves the school premises without permission of the principal. Students may not leave the school premises early without parent/guardian or a parent/guardian approved adult coming into the school for him/her and signing out the student(s). Adults authorized to pick up a student

should be on file in the school office. **Permission for someone to pick up a student other than parent/guardian must be in writing from parent/guardian.** (see below: Diocesan School Policy 5370)

6. Students needing to leave school because of family commitments, holidays, or vacation must notify the school in writing prior to departure.
7. In order to participate in same-day extra curricular activities or sport activities the student must have been present in school a minimum of ½ day. Students must have been present in school a minimum of ½ day on Friday to participate in weekend extra-curricular activities or sport activities. Exceptions must have principal permission.
8. A student is considered tardy when the time absent from school is less than one half day's absence at the beginning or the end of the school day. Departure from school prior to end of day dismissal time will count as a tardy.
9. Habitual tardiness will result in disciplinary action.
  - A. After the 3<sup>rd</sup> tardy of each quarter, parents will be notified.
  - B. After the 5<sup>th</sup> tardy of each quarter, students will make up minutes missed during lunch recess or after school.
  - C. After the 10<sup>th</sup> tardy of a quarter, further consequences will be assigned, to include but not limited to after-school detention.
10. A student must have zero tardies and zero absences to achieve perfect attendance.

**DSP 5211**

**STUDENTS: Written Excuses**

*When a child has been absent, the school requires a written excuse from his/her parent or guardian. All notes concerning absence are kept on file until the end of the school year. If a pupil is absent without an excuse or if the school has reason to suspect the validity of the excuse, the school administrator/principal may investigate or delegates someone to investigate the situation.*

*In addition, schools are encouraged to establish or continue procedures whereby a parent is expected to phone the school if a student will be absent. This call, however, does not replace the written excuse as a matter of record.*

**DSP 5220**

**STUDENTS: Requests for Family Reasons**

*Parents occasionally wish to take their children out of school for several days because of family plans. The school administrator/principal and teacher(s) should discuss the child's progress and make recommendations to the parent. The school administrator/principal keeps a record of the recommendations made to the parent. The final decision, however, is the responsibility of the parent. Conditions, procedures, and time limits for making up work are to be specified in writing.*

Families are encouraged to notify the office well in advance of any planned, extended absences. Students are encouraged to request assignments for the time they are gone and to take textbooks and homework to keep up with the rest of the class.

**DSP 5370**

**STUDENTS: Release of Individual Students from School**

*Extraordinary care is taken in regard to early dismissal of individual students. Parents presume their child is under the care of the school during school hours. Consequently, an elementary student is never released early without explicit knowledge of his/her parent or legal guardian. Under no circumstance may a child be released to anyone other than the parent or guardian who is listed on the child's registration form or another person explicitly authorized in writing by the parent or guardian.*

*In the case where only one parent has custody of the child, the school must be apprised of any existing court order that would affect release of the student from school. The school personnel must follow the most recent written agreement/order regarding custody.*

*A student may never be sent home for assignments, books, or disciplinary reasons without parental communication, nor may any student be sent on errands outside the school and parish grounds for anyone.*

**GRADING SYSTEM:**

The grading system is in accordance with diocesan policy.

1. The grading system used for pre-kindergarten through second grade is a checklist of skill objectives.
2. The grading system for third through eighth grade is a letter grade system: A, B, C, D, F.

4. Grade cards are sent home following each academic quarter.

If a student has an “F” average in 2 or more core subjects at the end of the first semester, he/she will be evaluated for possible retention. Parents will be contacted to discuss strategies to help improve their student’s academic standing.

## REPORTING OF GRADES:

### Grades Pre-K-2

Pre-kindergarten teacher reports student progress/needs informally daily with information sheet. Teachers of grades K-2 report on student progress/needs informally each Friday through the use of Friday Folders. Teachers of these students formally report on student progress quarterly.

### Grades 3-8

- Student grades may be accessed online at [www.optionc.com](http://www.optionc.com)
- Four/Five Week Mid-quarter: Option C Progress Report will be printed after all grades have been entered. **Participation in extra-curricular activities will be assessed at this point for students falling below the minimum requirements.**
- Quarterly Report Cards: **Participation in extra-curricular activities will be assessed at this point for students falling below the minimum requirements.**

## ACADEMIC INTEGRITY:

All students are expected to be honest in their actions and their classwork. Academic dishonesty includes, but is not limited to: plagiarism; cheating by copying another student's homework, quiz, or test by any method; or enabling someone else to cheat (i.e. giving your assignment to someone else, giving answers to tests, etc.).

### **Plagiarism:**

- **Copying from another student's work, or enabling someone else to do so.**
- **Using someone else's (classmate or published author) words and/or ideas in a paper without proper citation.**

*First Offense:* Principal/Student conference, parent(s) notified, and Zero on assignment or test.

*Subsequent Offenses:* Principal/Student/Parent conference, Zero on assignment or test, and In-School Suspension.

**DSP 5410**

### **STUDENTS: Promotion and Retention**

*All promotions, regular and special, are decided by the school administrator/principal in light of the teacher's recommendation and in consultation with the parents and with the child, if appropriate. Such decisions are based on a total evaluation of a student's growth in all areas of development.*

*If a student's progress is unsatisfactory and the teacher believes the student may not satisfactorily complete the present grade, the teacher shall discuss alternatives with the school administrator/principal. As soon as possible, the teacher and/or the school administrator/principal shall talk with the parents/guardians and, as appropriate, with the student. Although the school administrator/principal always acts in consultation with the student's teachers and parents, the final responsibility for a student's promotion or retention rests with the school administrator/principal. During conferences and in a follow-up letter, the parents/guardians and the student are informed of the pending decision at least six weeks before it is finalized. The decision, with its rationale, is to be communicated to the parents/guardian. If the parents/guardians do not agree with the school administrator's/principal's decision, the school administrator/principal and the parents/guardians shall meet to discuss the rationale for the decision. While*

parent/guardian input is valued, it is ultimately the school administrator's/principal's decision whether to promote a student.

If a student with special educational needs is accepted in a school that does not offer a special education program, at the request of parents who are aware that a special education program is not offered, the school administrator/principal and parents sign a written agreement concerning promotion and retention procedures for the child as well as the type of diploma to be awarded upon termination of attendance.

High school students who satisfactorily complete a program that includes a modified curriculum or significant accommodations for special needs will receive a diploma that indicates the modified nature of the curriculum, i.e., Modified Diploma

## **SPECIAL SERVICES:**

**DSP 5701**

### **STUDENTS: Students with Special Needs**

If a student with special needs (categorized such as EMH (Educable Mentally Handicapped), EEN (exceptional educational needs), or other similar classification, or having a serious physical disability) applies for admission and/or is in need of special placement and admission is going to be denied, or a current student is being asked to withdraw, or being referred to another school, the administrator is to immediately consult the Catholic School Office so that all necessary accommodations can be made in order to meet the needs of the student and to help make a judgment as to whether or not, indeed, that is possible. Whenever possible, accommodations are to be made to meet the total needs of the student. A review committee can be convened by the Catholic School Office, if deemed necessary, before a final decision is made. The review committee can include, but not be limited to, the Catholic School Office, the local administrator(s), parent representative, counselor, pastor, and other designated professionals. It will be the purpose of the review committee to help the school make a local decision. This review committee can also be convened or reconvened by the Catholic School Office, if deemed beneficial, when a parent disagrees with a local school decision.

**LSR 5701**

1. St. Peter School offers special services through the Fulton Public School District. If there is an academic concern, make an appointment with the teacher. St. Peter School might be limited in providing special services for certain students.
2. Enrichment and gifted curriculum is served within the scope of the regular classroom. Academic curriculum goes beyond diocesan standards at each grade level.
3. Tutoring is available through outside sources, parent volunteers, and faculty.

### **Participation of Nonpublic School Children**

As part of the Elementary and Secondary Education Act, the LEA (Public Schools) must make available equitable services to eligible nonpublic school children, their teachers, or other educational personnel. LEAs must ensure that total expenditures, less administrative costs, are equal on a per-pupil basis to Title I funds that are spent on public school students. Services to nonpublic school children must be performed at the public school, a neutral site at the nonpublic school, or neutral grounds. Through the consultation process, services will be provided through a contracted reading interventionist. Students are identified through a multi-criteria list and provided 30 min. of reading intervention three times per week.

The LEA must review data annually to assess the effectiveness of its nonpublic Title I program. During this consultation, the LEA and private school officials determine the standards that are to be used to measure the effectiveness of the Title I program, what assessment will be used to measure the agreed upon standards and what constitutes annual progress for the Title I program

Schools with Title I parents in the spring term are asked to evaluate Title I services and the LEA's and school's parent involvement policy. Input from parents, such as a survey, is considered as part of the Annual Title I Evaluation.

**TESTING FOR SPECIAL SERVICES:**

St. Peter School can offer special services through the Fulton Public School District. Special services encompass academics, behavior, intelligence, social concerns, and speech.

1. Parents will make an appointment with the teacher to discuss concerns. If parent/guardian decides to request a special services evaluation, the teacher will relay the intention to the principal.
2. The parent will contact the director of special services with the Fulton Public School District, and relay necessary information to the principal/teacher.
3. Final determination of the need for services will be made within 60 days.

## **INSTRUCTION: Educational Outings, Field Trips, 8th Grade Trips**

*Field trips and outings are to be learning experiences; they are also privileges. Each teacher or moderator, in advance, explains to the school administrator/principal the proposed field trip, including student preparation, plans*

for supervision and transportation, and student follow-up activities. If approved, the teacher follows the local procedures for the distribution and return of the field trip forms with parental signatures.

A school may, but is not required to, sponsor an end of year 8<sup>th</sup> grade and/or a senior trip. If it does, then the school must be ultimately responsible for the planning and implementation, including the assigning of chaperones and the establishment of rules. In addition, school personnel must be on the trip. If the school does not sponsor the trip, then DSP 6306 is to be followed, in which case the school must isolate itself from the planning, distribution of any information, and fundraising. If any fundraising is done, then the school name is not to be used. The school tax identification number is not to be used in any way for this trip, and any contracts are not to use the school name.

**DSR 6301**

An adequate number of responsible adult chaperones are to accompany the students. Ordinarily, at least one adult will accompany every five students in the lower grades and every 10 students in the upper grades - but some situations or younger students may require more. Trips involving a great deal of travel should be discouraged.

When appropriate, schools should use bus transportation by an insured carrier for off-campus school sanctioned events. There are circumstances for which a school administrator may determine that transportation in private passenger vehicles is appropriate. These circumstances could include the fact that there is a small number of students involved in an activity and the cost of commercial transportation. If a private passenger vehicle is to be used, the following criteria shall apply:

1. drivers must be a parent/guardian of a student;
2. drivers must be experienced drivers over the age of 25 and demonstrate the maturity necessary to provide for the safety of those they are transporting;

- 3. Promoting moral growth and gospel-oriented character development on and off the field.*
- 4. Spiritual development linking play to prayer.*

*All coaches and assistant coaches, whether paid or volunteer, in programs sponsored by Catholic Schools will participate in at least one Play Like a Champion Today coaches workshop. Coaches will also need to actively promote the values and philosophy of the program through their coaching.*

*Physical education teachers in Catholic Schools will participate in the Play Like a Champion Today coaches workshop in order to foster the same values and philosophy in their teaching.*

*At least one parent of any student who wishes to participate in any athletic team will participate in a one-time parent training session prior to their child being allowed to participate in athletics programs. Parents will be required to participate in training only once.*

*Principals of each Catholic School that offers athletic programs will be responsible for overseeing the Play Like a Champion Today program, assuring that all coaches, physical education teachers and parents take part in the required training programs. Evaluation of coaches and physical education teachers by principals will assure that these coaches and teachers are integrating the goals of the program into their ministry of coaching/teaching. Principals may delegate responsibility for various aspects of the program to other employees (i.e. assistant principals, athletic directors or secretaries), but will retain overall responsibility for the implementation of the program in their schools.*

*The Catholic School Office will work in conjunction with Catholic Schools to provide training opportunities for coaches, physical education teachers and parents as well as to maintain a comprehensive database of coaches, teachers and parents who have participated in the training.*

### ***INSTRUCTION: Eligibility for Co-Curricular Activities***

*The school should set norms for eligibility of students to participate in school-sponsored activities, e.g., that attendance in school is required for participation in co-curricular activities on the day of the activity. Physical examinations are required for participation in athletic activity. Parents/guardians shall sign a “Suitability Declaration and Release Agreement” for participation in a co-curricular activity.*

**LSP 6603**

## **ELIGIBILITY FOR CO-CURRICULAR ACTIVITIES:**

1. A student must maintain a “C” average with no more than one “D” to participate in co-curricular activities. If the student receives an “F” or more than one “D” during a report period (mid-quarter or quarter) he/she will have special conditions placed on the academic agreement limiting their participation for a period of up to ten school days. If after the ten days improvement has been shown, the student will be returned to eligibility. If after the ten days the student has not achieved a “C”

average, he/she will be allowed an additional five school days to improve. If improvement has not been accomplished at the end of 15 school days, the student will remain ineligible until the next report period (mid-quarter or quarter). Notification of ineligibility will be issued by the school office to parents and co-curricular activity sponsor.

2. Homeschooled students of the parish are eligible to participate in co-curricular activities sponsored through the PAL league. Homeschooled students are to maintain the same academic level of eligibility as St. Peter School students.
3. In order to participate in same-day extra-curricular activities or sport activities the student must have been present in school a minimum of ½ day. Students must have been present in school a minimum of ½ day on Friday to participate in weekend extra-curricular activities or sport activities. Exceptions must have principal permission.
4. Sports Physical examinations are required for participation in strenuous athletic activity. This includes all school-sponsored athletics.
5. Parents/guardians shall sign a “Suitability Declaration and Release Agreement” for participation in a co-curricular activity.

## Communication

*To promote cooperation among parishioners, parents, faculty, and students*

### COMMUNICATION TO PARENTS:

- **All communication throughout the school day is to be directed through the school office or through school email.**
- Email: The staff email addresses are included on page 3 of this handbook and found on the webpage. All teachers have email through our school service provider, which is to be used for communication with teachers about student matters.
- Newsletters: A weekly newsletter, Panther Post, is sent out from the office to update school families on upcoming events. Notify the office of anything you need included. Teachers are expected to contribute articles about class, as well as student stories, poems, etc. as requested by principal, each month.
- Classroom updates: individual classroom teachers may send a weekly, monthly, or quarterly update of classroom happenings.
- St. Peter School offers a web-based student information program.
  - Parents of students in grades 3-8 may access their grades online and view any missing assignments. Teachers update the grade book a minimum of once a week; this does not apply to late student work.
  - Parents of students in grades PreK-8 may check fee and lunch account balances, absences, and tardies.
  - This program can be accessed at [www.optionc.com](http://www.optionc.com). Passwords and User IDS are issued at the beginning of the year.
- Parent Alert System: Parents/guardians will be notified of school closings, upcoming events, or emergency situations via the school alert system.

## **PARENT-TEACHER CONFERENCES:**

**DSP 5405**

### **STUDENTS: Parent/Teacher/Student Conferences**

*It is highly recommended that each school plan to have conferences at reporting time at least once a year. These conferences provide the opportunity to discuss and explore various aspects of the student's growth and development.*

## **APPOINTMENTS:**

1. If you wish to speak to the principal or a teacher regarding any matter that requires extensive discussion, you must first make an appointment. Discussion of student progress should take place at school.
2. Parents needing to speak with their child or deliver something are to check in at the office prior to proceeding to any other area of the school; do not go directly to the classroom.

**LSR 1901**

## **GRIEVANCE PROCEDURE:**

### **If a problem arises, the following procedure is to be followed:**

1. Make an appointment with the teacher or teachers at once. Don't wait. Call the office and leave a message for the teacher to call you for an appointment time.
2. If, after seeing the teacher, you are still dissatisfied, then consult with the principal.
3. If you still feel that the problem requires resolution, call the pastor to make an appointment for a meeting of all parties involved.

**DSP 1901**

### **COMMUNITY AND EXTERNAL OPERATIONS: Grievance**

*Any serious grievance that cannot be solved through an informal process using the local chain of command (teacher, school administrator/principal, pastor) shall be resolved through the Administrative Recourse Procedure. Since the school advisory board is advisory, it is not part of the process of reconciling differences, unless a pastor decides to consult some or all of the board for advice on a serious issue. The Administrative Recourse Procedure shall constitute the exclusive method for resolving such disputes after informal attempts at reconciliation have failed. The parties are bound by its determination as final and binding. The Administrative Recourse Procedure is specifically limited to "Grievances" as defined within the Administrative Recourse Procedure policy and regulation.*

**DSR 1901**

### **COMMUNITY AND EXTERNAL OPERATIONS: Administrative Recourse**

#### **A. Definition**

*A "Grievance" is a formal complaint about any serious issue regarding a school or its personnel that needs a formal process of reconciliation in order for it to be resolved.*

#### **B. Purpose**

*The primary purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems which may from time to time arise affecting the welfare or working conditions of persons associated with the school.*

#### **C. Basic Principles**

1. *Informal attempts using the local chain of authority (teacher, school administrator/principal, pastor) have failed to resolve the grievance.*
2. *Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum and every effort should be made to expedite the process. The failure of a grievant to act within the time limits will act as a bar to any further appeal and an administrator's*

failure to give a decision within the time limits shall permit the grievant to proceed to the next step. (By mutual written agreement, however, the time limits may be extended.)

3. The grievant agrees that discussions during the procedural stages of a grievance shall be kept confidential.

4. There is to be no retaliation against any party or participant in the grievance procedure.

5. Meetings held pursuant to this procedure shall be conducted by mutual agreement at a time and place that will afford a fair and reasonable opportunity for all persons, including witnesses to attend.

6. Records of formal proceedings at every Level shall be kept and made available to all parties involved.

#### D. Procedure

##### 1. Informal Attempts at Resolution

Before differences become formal grievances, every effort shall be made to resolve local-level disputes by way of a free and open discussion between the parties involved in the grievance. Accordingly, a party may not pursue a grievance through the formal procedures outlined in this policy unless the party has first engaged in informal attempts with the local chain of authority to reconcile the difference beginning with the person whom the grievance is against. The normal chain of authority is: (1) teacher; (2) school administrator/principal; (3) pastor. The school administrator/principal or pastor may ask a third party to attend and assist the discussion.

##### 2. Formal Grievance Procedures

In the event that informal attempts at resolving the dispute have been unsuccessful, the formal grievance procedure outlined below shall be observed. For complaints to be resolved through the Formal Grievance Procedures, the following shall apply: (i) if the complaint relates to a school administrator/principal, LEVEL ONE will not apply, and the grievant will begin with LEVEL TWO; and (ii) if the complaint relates to a pastor, LEVELS ONE AND TWO will not apply, and the grievant will begin with LEVEL THREE.

#### LEVEL ONE: SCHOOL ADMINISTRATOR/PRINCIPAL

The grievant shall reduce the complaint to writing and submit it to the school administrator/principal within fifteen (15) days following the occurrence of the event. In the complaint, the grievant must specifically request resolution through the Administrative Recourse Procedure. The school administrator/principal will hold a meeting within seven (7) days following receipt of the written statement of grievance. The school administrator/principal, a grievance representative designated by the pastor and the grievant shall be present for the meeting. Within seven (7) days following the meeting, the school administrator/principal shall provide the grievant with a written decision.

#### LEVEL TWO: PASTOR

If the grievant is dissatisfied with the school administrator's/principal's written decision, the grievant may appeal the decision in writing within five (5) days to the pastor. If the Formal Grievance Procedure begins with LEVEL TWO, the grievant shall reduce his/her complaint to writing and submit it to the pastor within fifteen (15) days following the occurrence of the event. The pastor will hold a meeting within seven (7) days following receipt of the written statement of grievance or the appeal, as applicable. The pastor, a grievance representative designated by the pastor and the grievant shall be present for the meeting. Within seven (7) days following the meeting, the pastor shall provide the grievant and the school administrator/principal with a written decision.

#### LEVEL THREE: CATHOLIC SCHOOL OFFICE

If the grievant is dissatisfied with the pastor's written decision, the grievant may appeal the decision in writing within five (5) days to the Catholic School Office. If the Formal Grievance Procedure begins with LEVEL THREE, the grievant shall reduce his/her complaint to writing and submit it to the Catholic School Office within fifteen (15) days following the occurrence of the event. The Catholic School Office or a designated representative of the superintendent of Catholic schools will hold a meeting on the matter within ten (10) days following receipt of the appeal. The Catholic School Office will render a decision in writing stating findings of fact and conclusions within ten (10) days of the hearing and a copy of the decision shall be delivered to the grievant, the pastor and the school administrator/principal.

#### LEVEL FOUR: DIOCESAN SCHOOL RECOURSE COMMITTEE

If the aggrieved person is not satisfied with the disposition of the grievance at LEVEL THREE, a written appeal may be made within five (5) days to the Diocesan School Recourse Committee (DSRC), a committee

*composed of three members appointed by the bishop. The committee will review the entire record relating to the grievance and thereafter hold a meeting which shall not be later than fifteen (15) days after receipt of the written appeal. The grievant is entitled to attend the meeting. Evidence relevant to the grievance may be offered by interested parties, and questions may be asked pertaining to the cause by committee members as well as the interested parties. The DSRC will render and communicate its recommendation to the bishop who will notify the Catholic School Office and the grievant of his ruling. The decision of the bishop will be final and binding.*

**DSP 1902**

**COMMUNITY AND EXTERNAL OPERATIONS: Penalty Status During Administrative Recourse**

*The penalty for a violation of a school or diocesan policy or regulation is to be enforced during the recourse procedure. However, a request can be made to the pastor to speed up the procedure. Either the person(s) registering the complaint or the person(s) to whom the complaint is registered can make this request. The request, in consultation with the Catholic School Office, can be granted or denied.*

**TELEPHONE:**

1. Students may not use the phone without permission.
2. Students **are not** to call home for materials or books that have been forgotten without specific permission from the teacher.
3. Emergency calls may be made with the permission of an adult.
4. Parents may leave a message asking for a return call.
5. The use of cell phones is not permitted during school hours. All phones in visible sight, in use, or that audibly ring or vibrate will be confiscated and may be retrieved by a parent/guardian of the student. This rule applies to all school activities, including field trips, during the school day.

**STUDENT INTERNET, EMAIL AND OTHER TECHNOLOGY USE**

**DSP 6425**

**INSTRUCTION: Student Internet, E-mail and Other Technology Use**

*All schools allowing students to have access to the Internet, e-mail and other technology are to have a written policy regarding usage in their student and parent handbooks. This policy is to include at least the following:*

1. *Internet, e-mail and other technology access and use in school is a privilege, not a right.*
2. *The use is always to be consistent with Catholic teaching, doctrine, morality and values.*
3. *Users shall not use the Internet, e-mail or other technology for the purpose of transmitting or receiving illegal, illicit or obscene materials, or other materials in conflict with our Catholic mission.*
4. *Users shall not use the Internet, e-mail or other technology for the purpose of violating copyright law. This includes, but is not limited to: copyrighted software, text, graphics or music. Such action will be considered theft and is in violation of Catholic and legal standards.*
5. *Users shall not use the Internet, e-mail or other technology for the purpose of plagiarism.*
6. *Users shall not attempt to gain access to resources belonging to others. This includes, but is not limited to: passwords, e-mail, personal files, and restricted or secure Internet sites. This will also be considered theft and in violation of Catholic and legal standards.*
7. *Users shall not use the Internet, e-mail or other technology to transmit information about the school or the school-governed facilities, other than their own e-mail address. This includes, but is not limited to school personnel names and addresses.*
8. *The school reserves the right to review any materials (e-mail, files, other correspondence) sent or received via the Internet, e-mail or other technology for their appropriateness in light of legal, ethical and Catholic standards.*
9. *Any violation of this policy is also considered a violation of the general school discipline code and is subject to school disciplinary action.*

10. *The privilege of the Internet, e-mail or other technology use can be suspended or revoked at any time.*

*In addition to the above, the school, after consultation with the Catholic School Office, can take disciplinary action against any student who, either within or outside school hours and/or on or off school grounds, uses technology to defame, bully, or assault the character or being of the school, diocese, any of its employees and/or students. This includes any such negative postings, verbal or pictorial, on such websites as Facebook, YouTube, Snapchat, Twitter, Instagram, and other social networking sites, etc. This includes any activity that would violate DSP 5305, Catholic Faith and Moral Standard.*

Students will not be allowed to use cameras to record other students/staff during school without prior approval from the principal or a faculty member. Diocesan guidelines state that pictures and videos of our students placed on school-approved internet websites will not have their name associated at any time.

## **VISITORS:**

Parents are welcome in the school. When visiting a classroom for any reason, first check in at the office; do not go directly to the classroom. If parents wish to talk to their child's teacher, they must arrange for a private conference by calling the office for an appointment or arranging with the teacher.

## **Discipline**

*To develop an environment conducive to creating a positive self-image and to educate and encourage students in social and civic responsibility*

The goal of discipline is to provide an environment that fosters Catholic virtues. We strive to create an atmosphere in which each child and staff member is respected. Discipline is aimed at encouraging children to grow in responsibility, integrity, courage and faith. Students are to put God first in all endeavors. Students are to submit to the authority that God has placed over them. Each student is to respect and obey teachers, administrators, and all other responsible adults.

**DSP 5260**

### **STUDENTS: Confidentiality**

*Rather than strict confidentiality in regard to student-school employee communication (verbal and written), the schools in the Diocese of Jefferson City operate under a "spirit of confidentiality." This means that outside of the seal of confession between priest and penitent, strict confidentiality cannot be promised to the student if the information disclosed by the student includes, but is not limited to, one or more of the following:*

1. *Information that concerns violation of the law;*
2. *Matters involving the health and safety of the student or any person;*
3. *Serious moral issues;*
4. *Any other matter that raises serious enough concern in the mind of the employee that he or she believes it is important to share the information with school administrator.*

*The school administrator/principal, after consultation with the Catholic School Office, may chose to disclose the information to parents, legal authorities, medical personnel or other deemed necessary personnel.*

**DSR 5310**

### **STUDENTS: Prohibition of Corporal Punishment**

*Corporal punishment is not used under any circumstances in any school in the Diocese of Jefferson City. The school administrator/principal is responsible to report immediately to the Catholic School Office any violation of this*

*prohibition. Any extreme or unusual form of punishment or any touching of a child in a manner that is considered punitive is to be avoided.*

**DSP 5315**

**STUDENTS: Weapons and Dangerous Instruments**

*The possession, conveyance, use, or storage of weapons or look-alikes on school property, at school-sponsored events, or in or around a school vehicle is prohibited. This ban applies to students, employees, and visitors, except for those acting in a law enforcement capacity. This prohibition expressly includes those persons licensed to carry concealed firearms. Schools are to formulate specific local policies regarding reporting weapons and dangerous instruments to law enforcement.*

**LSP 5315**

**WEAPONS AND DANGEROUS INSTRUMENTS:**

The possession, conveyance, use, or storage of weapons or look-alikes on school property, at school-sponsored events, or in or around a school vehicle is prohibited. This ban applies to students, employees, and visitors, except for those acting in a law enforcement capacity. A weapon will generally be defined as a gun or knife but may include any device used in a threatening manner such as to stab, strike or purposely inflict injury on another person. Administrator is responsible for reporting weapons violations to law enforcement officials.

**REQUIRMENTS FOR STUDENT BEHAVIOR INCLUDE, BUT ARE NOT LIMITED TO, THE FOLLOWING:**

1. Students are to be responsible for their own behavior, homework, classroom studying and their courtesy and respect toward others.
2. Students are to follow building, playground, and classroom rules as they are published, posted or directed.
3. Parents/guardians will be contacted if a student is unable to maintain reasonable behavior.
4. An option available to the teachers and principal, as a form of discipline, is an after-school detention. In this event, the parents/guardians will be notified in writing. Parents/guardians are to respond in writing or with a phone call. If the scheduled detention is to be altered, it is the responsibility of the parent/guardian to arrange the change with the principal or teacher.
5. If the student's behavior threatens the safety or well being of him/herself or others, immediate action will be taken, and the principal notified.
6. A student who consistently demonstrates behavior counter to the philosophy of the school, or commits an act of negligent or gross disregard for Christian values, will be asked to withdraw from the school or will be expelled.

**GUM & SNACKS:**

- Chewing gum is not allowed on school premises.
- Healthy snacks may be eaten at recess. Snacks may be allowed at other times with teacher approval.
- Water bottles are allowed during the day to keep students adequately hydrated; however, misuse of water bottles will result in removal of the privilege for the student.

## **PLAYGROUND RULES:**

### Playground Politeness:

1. A Christian attitude should be exhibited by everyone to everyone.
2. Stay within the visual contact of the teacher on duty. Stay in the back of the building on the play area within the property line. Do not cross over to the country club property without permission.

2. Standard soccer rules will be followed.
3. Do not hang or climb on the goals.
4. Continued problems with soccer games will result in loss of playing.

## **DISCIPLINE POLICY:**

St. Peter School constantly strives to improve its discipline policy because more learning takes place in an environment without behavioral and discipline problems. Students with a sense of discipline and the ability to make good choices will be better prepared for their future. At St. Peter School we will implement this program to help and promote students to make good choices and take responsibility for their actions. We believe that if our requirements and consequences are clear, then it will help students make good choices.

### **When Students Make Wrong Choices??**

As a school we believe that natural consequences are the most appropriate form of discipline. For example, if your student were to write or draw on school property, we believe it is appropriate for your student to clean the desks in his/her classroom. We believe this follows the Church's teaching of reconciliation or righting the wrong that has been done.

Each situation and student is unique. All discipline is handled on a case-by-case basis. However, we have separated some general behaviors into three categories and labeled them Type A, B, and C. Type A behaviors are those that go against the basic expectations listed above. Type B behaviors are those that are more blatantly inappropriate behaviors. Type C behaviors are serious violations against required behavior. The following are guidelines that will be used in most cases. For type A and B behaviors, warnings are good for the length of one graded quarter. This gives the student a chance to start with a fresh slate four times within the year.

#### **Type A (yellow form)**

Requirements/Violations:

- † Show Christian concern and respect for all people and property. This includes polite, helpful behavior to all persons and in all places.
- † Use appropriate Christian language and actions.
- † Be prepared for, attentive, and participate in class. This includes having all necessary materials and homework completed.
- † Show good sportsmanship, cooperate and have a Christian attitude when playing.
- † Be attentive and participate respectfully in the liturgy.
- † Follow all handbook guidelines and all directives, both written and spoken.

Consequences:

1. The student will receive a yellow written disciplinary slip that is filled out and signed by the teacher and student. A copy of this slip is to be signed by a parent/guardian and returned to the teacher on the next school day.
2. After three written disciplinary slips within the same graded quarter, the student will meet with the principal to determine an appropriate consequence and make a plan of action to eliminate the behavior. In most cases an hour of Christian service or detention will be assigned.

#### **Type B (blue form)**

- † Requirements/Violations:
- † Serious disrespect to a teacher, any adult, or student in the school, including verbal threat.
- † Harassing.
- † Stealing, cheating, lying or forgery.
- † Use of obscene language and/or gestures.

- † Fighting
- † Willful damage done to property belonging to others or school.
- † Inappropriate use of school technology

**Consequences:**

1. The student will receive a blue disciplinary slip that is filled out and signed by the teacher, student, and principal. A copy of this slip is to be signed by a parent/guardian and returned to the teacher on the next school day. The student is expected to complete one hour of service/detention. The teacher and principal will decide upon type of service.
2. The second Type B violation within the same graded quarter will result in the student completing two hours of Christian service. A blue disciplinary slip is filled out and signed by the teacher, student, and principal. A copy of this slip is to be signed by a parent/guardian and returned to the teacher on the next school day.
3. If the student should commit a third or more Type B violation within the same graded quarter, all disciplinary slips will be sent home for parent/guardian signature. The student will complete two hours of Christian service and an in-school suspension (length to be determined by principal and teacher and in accordance policy). A conference with the student, parent, teacher, and principal will be required at this time.

**Type C (green form)**

Requirements/Violations:

- † Serious fighting
- † Blatant disrespect (physical or verbal) to teachers, staff or supervisory assistants
- † Smoking or possessing smoking materials on parish property
- † Use, possession, distribution or selling of any controlled substance
- † Truancy
- † Possession of any type of weapon/paraphernalia
- † Serious, willful damage of property of others
- † Possession, display or sale of immoral or pornographic materials
- † Inappropriate use of technology involving another person

**Consequences:**

1. First offense: The student will receive a green disciplinary slip that is filled out and signed by the teacher, student, and principal. A copy of this slip is to be signed by a parent/guardian and returned to the teacher on the next school day. A conference will be held with parent/guardian, student, teacher and principal. An in-school suspension (length to be determined by teacher and principal) will be assigned and two hours of Christian service.
2. If a second Type C violation should occur within the same graded quarter it would result in immediate OUT OF SCHOOL SUSPENSION with no class credit and a conference with the principal, parent/guardian, teacher, student and pastor.

In the event of severe aggression and/or continual blatant disregard of expected behaviors, St. Peter administration reserves the right to, in consultation with the pastor and superintendent of the Jefferson City Diocese, permanently dismiss or expel any student, if the parents are not meeting the school's recommendations.

Striking a teacher, staff member, and/or volunteer will result in immediate Out of School Suspension, and possible dismissal or expulsion.

**SUSPENSION**

A student typically will not be suspended by the principal until there has been a conference with the parents or preferably with the parents and student. The principal retains the right to suspend a student without a parent conference if deemed necessary. The school is urged to use a form of in-school suspension, whenever possible. Suspensions of more than one day require, in addition to the above, a written notice to the parents of the reasons for the suspension. The time period of suspension may not exceed five (5) consecutive school days. A written record of the reason for the suspension with the date and a summation of the parent conference is kept on file in the school.

A student could be suspended or dismissed from school for possession of a controlled substance or alcohol, striking a teacher, serious infraction of a continued disregard for school rules, possession of or using a weapon on school grounds or at any school function.

All work must be completed upon return of the student. Full credit will not be given for work completed during an out-of-school suspension.

**DISMISSAL/EXPULSION:**

In case of incorrigible behavior, or when conduct threatens the physical or moral welfare of anyone in the school community, the principal, in consultation with the pastor and the Catholic school office, may expel a student. Dismissal from school will be carried out according to directives in the Policy and Regulation Manual for schools. If the consequence for inappropriate behavior affects participation in extra-curricular activities, the coach/sponsor will be notified.

DSP 5360

**STUDENTS: Dismissal and Expulsion**

*The dismissal or expulsion of a student from a Catholic school is a very serious matter and should be invoked only in extreme cases. Care should be taken that fundamental fairness is offered the student in the process of expulsion or dismissal.*

*The term "expulsion" is*

*Termination of a pupil as a student from the school permanently (no opportunity for reinstatement).*

*The term "dismissal" is*

*Termination of a pupil as a student from the school less than permanently (indefinite or for a given term).*

*In cases of serious misconduct which could lead to expulsion, the parents are so advised immediately and in writing. They are urged to take advantage of assistance from school, parish, or social service agencies which can help the student with his/her difficulties. Careful documentation must be kept of all disciplinary proceedings.*

*In extreme cases of incorrigible behavior or when conduct threatens the physical or moral welfare of anyone in the school community, the school administrator/principal, normally in consultation with the pastor, can immediately suspend a student until a final decision is made. (See DSP #5355.)*

*After the school has exhausted all avenues of assistance for the student, a recommendation may be made to the pastor regarding the dismissal or expulsion. All dismissal and/or expulsions must be reviewed with the Catholic School Office for compliance with the law and diocesan policies and regulations. A statement of dismissal or expulsion is made in*

writing, including the reasons for the dismissal and a complete listing of dates and efforts made to help the student to avert dismissal.

**DSR 5360**

**STUDENTS: Dismissal and Expulsion**

*If a dismissal or expulsion is pending, the Catholic School Office is to be notified immediately. The Catholic School Office will review the case, consult legal counsel if necessary, and make recommendations back to the school administrator/principal and/or pastor of the school.*

**STUDENTS: Harassment/Bullying**

*Policy: All Catholic schools part of the Diocese of Jefferson City shall maintain a learning environment that is free from harassment. No student in any school shall be subjected to any type of harassment/bullying.*

*Harassment is defined as any unwanted and unwelcome behavior that interferes with the student's performance or creates an intimidating, hostile or offensive learning environment. Harassment includes physical, visual, verbal and sexual forms of behavior. Instances of harassment should be addressed using appropriate disciplinary consequences, counseling methods, and parental/guardian contact and involvement in accordance with the nature and frequency of the offense.*

*Bullying is the use of force, threat, or coercion to abuse, intimidate, or aggressively dominate others. The behavior is often repeated and habitual. One essential prerequisite is the perception, by the bully or by others, of an imbalance of social or physical power, which distinguishes bullying from conflict. Behaviors used to assert such domination can include verbal harassment or threat, physical assault or coercion, and such acts may be directed repeatedly towards particular targets.*

*Every school is to have a comprehensive anti-bullying program that is consistent throughout the school. This program is explained and enforced by the administration, teachers, parents and students. This program will also be available in the school office for parents to refer to if they have questions. This can also be in the school handbook.*

*Sexual harassment deserves special mention.*

- 1. Sexual harassment is defined as any unwelcome sexual advances, unwelcome physical contact of a sexual nature, or unwelcome verbal or physical conduct of a sexual nature. "Unwelcome verbal or physical contact of a sexual nature" includes, but is not limited to, "the deliberate, repeated making of unsolicited gestures or comments, or the deliberate, repeated display of offensive, sexually graphic materials which is not necessary for school purposes."*
- 2. No student shall be subject to sexual harassment as a student.*
- 3. Any student or employee who engages in sexual harassment shall be subject to severe disciplinary measures.*
- 4. Any student who believes that he or she is being sexually harassed shall report immediately such information to the school administrator/principal. Any information reported shall be treated as confidential. All claims of sexual harassment are to be immediately reported to the Catholic School Office and/or chancellor and/or review administrator and shall be thoroughly investigated by the school administrator/principal after consultation with and direction from the Catholic School Office.*

*No student shall receive any retaliation or disciplinary action for reports of harassment made in good faith.*

**STUDENTS: Sexual Abuse of Minors**

**PASTORAL POLICY REGARDING ALLEGED CASES OF SEXUAL ABUSE OF MINORS BY CLERGY OR OTHER CHURCH PERSONNEL OF THE DIOCESE OF JEFFERSON CITY**

## **INTRODUCTION**

*Since 1990, the Diocese of Jefferson City ("the Diocese") has had a policy and procedures to give guidance to its employees, volunteers, religious and clergy in the Diocese on the subject of child abuse and to address the needs of persons affected by child abuse. The following policy and procedures have been adopted to address the particular situation in which a member of the clergy, or an employee, volunteer or religious working in the Diocese or in any parish, school or agency of the Diocese (the latter hereinafter referred to collectively or individually as "church personnel") is accused of sexual abuse of a minor. (1) For the purpose of this policy, any person under 18 years of age is considered a minor. An allegation of this type of abuse has serious consequences for the person alleged to have been abused and his/her family, for the person accused, and for the larger community.*

*It is the policy of the Diocese that no person with a substantiated allegation (2) of sexual abuse of a minor will serve as a member of the clergy in active ministry or hold a position working in proximity to children as an employee or volunteer in the Diocese or in any parish, school or agency of the Diocese. All priests, deacons and other church personnel who minister in the Diocese are expected to be familiar with this policy and to comply with the procedures adopted to implement the policy. The Diocese will make available the resources required to implement the policy and procedures. By following this policy, the Diocese hopes to offer spiritual and psychological assistance as needed to any victim/survivor and to respect the civil and canonical rights of the accused while seeking to assist him or her. Proceedings pursuant to this policy shall be conducted in compliance with civil law and in accordance with ecclesiastical law; in particular the *motu proprio*, *Sacramentorum Sanctitatis Tutela* of Pope John Paul II, the *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons of the USCCB*, and the *Code of Canon Law*.*

## **II. ENSURING AN EFFECTIVE RESPONSE TO ALLEGATIONS OF SEXUAL ABUSE OF MINORS**

*The Diocese has adopted a process to address allegations of sexual abuse of a minor by a member of the clergy or other church personnel. By following the steps outlined below and by working with the person alleged to have been abused, his or her family members, and appropriate civil authorities, this process will help to ensure an effective response to allegations of sexual abuse of minors.*

## Crisis Plans

### **CRISIS PLANS:**

In the event of a crisis situation (e.g., fire, tornado), St. Peter School personnel will direct students to respond according to the established crisis plan. Emergency procedures are available for review in the St. Peter School office or in the classrooms.

### **RADIOLOGICAL EMERGENCY PLAN:**

St. Peter School has a Radiological Emergency Response Plan in the event of a declared emergency at the Callaway Energy Center Nuclear Power Plant. The purpose of the plan is to ensure the safety of the children in the event of a plant incident while the school is in session. This plan has been developed in coordination with the emergency management authorities in Callaway County and the State Emergency Management Agency.

1. In the event of a declared Site Area Emergency, the St. Peter Catholic School will close. Parents/Guardians will be notified to pick up their children as soon as possible.
2. In the event of a General Emergency being declared prior to all children being picked up, the children will be transported to a Reception Center and parents/guardians will be notified where to pick up their children.
3. If the school is advised to Shelter-In-Place, parents/guardians will be notified and should not attempt to pick up their children until instructed to do so after the Shelter-In-Place order is lifted.

If parents have questions or wish to see a copy of the emergency response plan, please contact the school.

### **ASBESTOS PLAN:**

St. Peter School has an Asbestos Management Plan on file in the school office, and it is available for review by appointment.

Our school has a periodic surveillance performed every June and December, and the diocese performs a re-inspection of our facilities every three years. All the asbestos that creates an immediate health hazard has been either removed or contained to provide a safe environment for our students and staff members.

### **WEATHER:**

Weather often requires modification to the school day. As a general rule, St. Peter School will not cancel classes due to heat and will try not to dismiss classes during the middle of the day due to inclement weather.

**Heat:** Students will be moved to air-conditioned parts of the building if heat becomes excessive and the window units are not capable of maintaining a comfortable temperature.

## **SCHOOL CLOSINGS:**

1. If the decision to cancel school is made during off hours, the information will be announced over the following television stations and a Parent Alert message sent.

KRCG-TV Ch 13  
KOMU-TV Ch 8  
KMIZ-TV Ch 17

2. Should the weather or conditions become so severe during the day that it is decided to dismiss early, the information will be announced over the following radio stations: KFAL/KKCA 900AM/100.5FM-Fulton, KWWR 96FM-Mexico, and the television stations listed above. All the necessary information will be broadcast as soon as possible and a Parent Alert message sent.
3. Parents will be notified of closings via the school Parent Alert system.
4. It is the FINAL decision for the parents/guardians to make as to whether or not to send their child to school due to road conditions and bad weather.
5. Three days are built in to the school calendar for snow days.

## **RULES FOR INCLEMENT WEATHER:**

### **Heat:**

- Students are permitted to bring water bottles to school every day to stay hydrated, but water bottles are especially encouraged anytime the projected high temperature is above 90° Fahrenheit. This is a privilege; students who misbehave with water bottles may have their privilege revoked.

### **Cold:**

- Students are to wear hats, gloves, warm coats and boots on snowy days.
- Students are not to throw snow and/or ice.
- Students stay indoors when the temperature and/or wind chill falls below 15° Fahrenheit.
